

Thank you for being an early customer of **Agent Brains**. This short feedback form helps us understand what's working, what isn't, and what we should build next. **Completing all required activities below and submitting this form qualifies you for a \$100 USD payment via PayPal**, disbursed within 7 days of review.

**Eligibility:** This form is for **n8n Agent Builders** only. To qualify, you must: (1) onboard at least one company of your choice, (2) build that company's Knowledge Base, (3) build at least one Agent registered under the Employee Tab, and (4) attach a screenshot of your n8n agent workflow.

## 1. Participant Information

Full Name

Company / Agency

Contact Email

PayPal Email (for payment)

Country

Years Building n8n Agents

Briefly describe your typical client (industry, size, use cases):

## 2. Required Deliverables Checklist

*Check each box to confirm completion. All four are required for payment.*

- I onboarded at least one company of my choice to Agent Brains.
- I built that company's Knowledge Base (structured, populated, tested).
- I built at least one Agent registered under the Employee Tab.
- I am attaching a screenshot of my n8n agent workflow to my submission email.

Name of the company you onboarded:

Website URL of the company you onboarded:

Name of the Agent(s) you built (Employee Tab):

Brief description of what the Agent does (1–2 sentences):

## 3. Onboarding Experience

How smooth was signup and initial account setup?

Low      High  
1 2 3 4 5

How clear and helpful was the documentation?

Low      High  
1 2 3 4 5

How quickly did you get to first meaningful value?

Low      High  
1 2 3 4 5

What was the biggest friction point during onboarding?

What could we do to make onboarding faster or easier?

## 4. Knowledge Base Build

Knowledge Base structure (hierarchy, policies)

Low      High  
1 2 3 4 5

Ingestion / upload experience

Low      High  
1 2 3 4 5

RAG / retrieval quality in practice

Low      High  
1 2 3 4 5

Describe what worked well with the Knowledge Base:

Describe what didn't work or was confusing:

## 5. AI Employee / Agent Build (n8n integration)

**n8n Node Pack — install and configuration**

Low      High  
1 2 3 4 5

**Registering the agent under the Employee Tab**

Low      High  
1 2 3 4 5

**Connecting the agent to the Knowledge Base**

Low      High  
1 2 3 4 5

**Testing the agent from inside Agent Brains**

Low      High  
1 2 3 4 5

**Biggest issue or blocker building the Agent:**

**What n8n nodes, helpers, or docs would have made this easier?**

## 6. Platform Features

*Rate each feature you used. Skip any you didn't try.*

**Inbox (conversation monitoring)**

Low      High  
1 2 3 4 5

**Automated Scoring (rubric grading)**

Low      High  
1 2 3 4 5

**Synthetic QA (AI persona stress-testing)**

Low      High  
1 2 3 4 5

**Analytics dashboard / Aggregate Quality Score**

Low      High  
1 2 3 4 5

**Which feature was MOST valuable to you, and why?**

**Which feature felt underwhelming or unclear, and why?**

## 7. Comparison & Positioning

What tools (if any) does Agent Brains replace or complement in your stack?

Would you recommend Agent Brains to another agency / builder? Why or why not?

## 8. Open Feedback

Your biggest 'wow' moment using Agent Brains:

Your biggest frustration:

Top 3 things we should FIX first:

Top 3 features you wish we had:

## 9. Permissions, Screenshot & Payment

- I permit Agent Brains to quote anonymized portions of this feedback in marketing materials.
- I permit Agent Brains to quote me by name and company (optional — uncheck to stay anonymous).
- I'm open to a 30-minute follow-up call to discuss my feedback.

**Screenshot:** Please attach a screenshot of your n8n agent workflow (PNG or JPG) to the email when you return this completed form. Submissions without a workflow screenshot are not eligible for payment.

**Payment terms:** \$100 USD will be sent via PayPal to the address listed in Section 1, within **7 days** of our review, provided all four required deliverables (Section 2) are complete and the workflow screenshot is attached. Deadline for submission: **May 31, 2026**.

**Signature (type full name):**

**Date (YYYY-MM-DD)**

**PayPal Email Confirmation**

**How to submit:** Save this PDF after filling it in and email it along with your workflow screenshot to [info@agent-brains.com](mailto:info@agent-brains.com) with the subject line “**Early Customer Feedback — [Your Name]**”.
